Shining lights in support of the Ukraine and the Ukrainian People
May Peace return swiftly in this most difficult time

HUMANITARIAN AID RELIEF FOR UKRAINE *A Message from The South Hillsborough Chamber*

Humanitarian Aid Relief for Ukraine – Thanks to our chamber members and residents of Kings Point, our conference room is filled floor to ceiling with donations. To get those items packed up and on their way to Ukraine, we need a little more assistance. Any time on **Wednesday, March 16, from 9 am – 4 pm** (closed from Noon – 1 for the Exchange), come on down to the chamber and bring any boxes and/or large Ziploc bags you may have so we can sort all the items you so generously donated. I'll try to stay stocked with donuts and pizzas! Please park in the Save A Lot parking lot across from the chamber! We'll take as

much assistance as you can give us!

MASTER SEMINAR - POND SEMINAR # 3- FISHING

The Pond Committee in Kings Point have been very active recently and there is no sign of slowing down. Each month they have been conducting seminars for Kings Point residents to attend so that they stay informed about the ponds in our community. The seminars range from the health of our ponds, fishing, and more.

The next seminar is going to be held at the Veterans Theatre on **March 24, 2022, at 10:30 AM**. The presentation will be by Kate Bordus, a pond expert from south Florida. She will be speaking about healthy ponds and the flora and fauna around them.

To stay informed and up to date on all pond information to include videos of the past pond seminars, please visit kpmaster.com/ponds.
